

## **Deeper into you**

1. Deeper into you, Lord  
seek me, journey  
All my life a prayer God  
joined with you  
Deeper into you, Lord  
you are life and meaning  
Deeper, deeper, deeper  
Deeper into you

2. Spirit, take my weakness,  
words unuttered, you  
take my feelings  
joy long quelled by pain  
Deeper into you  
to join in deep communion  
Deeper, deeper, deeper  
Deeper into you

3. Deeper into you, Lord,  
call me outwards  
In you, to be your heart  
your hands, your voice  
Deeper into you, Lord  
you're my life, my meaning  
Deeper, deeper, deeper  
Deeper into you
