

All I Need

**There in the dark is a light, Jesus is all I need
There in the storm is a calm, Jesus is all I need**

**Fall on my knees, I will praise, I will sing
And it's the name of Jesus Christ the King
Risen from the dead, who set me free
And there is a name I will call, Jesus is all I need
There is a call, He is all, Jesus is all I need**

**There in the cold is a fire, Jesus is all I need
There in the pain is a peace, Jesus is all I need**

**He is all, He is all, He is all I need yes x3
Jesus is all I need (X2)**

**I want to dance, I want to sing, Jesus is all I need (X2)
All I need, All, Jesus is all I need (X2)**
