

Changing Times

Joh Knijnenburg

Verse 1

**You are holy, my Jesus
You are holy, my Jesus
You raised me up and You took my
hand
And You lifted me onto dry land
When I was drowning, going down
I was lost but now am found
And His kingdom come and His will be
done
Jesus is the risen son
And when I call on Jesus' name He
calls me on to
Change! Change! Change!**

Bridge

**And the power and the glory of the Son
Changed my life, hey! Hey! Hey!
And the love of Jesus Christ the son of
God
Changed my life, hey! Hey! Hey!**

Chorus

**Oh, Yeah, Oh the Lord is changing
lives**

Hey! And I am one of them

**Oh, Yeah, Oh the Lord is changing
times**

Hey! And this is one of them

Verse 2

You are worthy, my Jesus

You are worthy, my Jesus

**You loved this world and You carried
the pain**

**And You took our sin when You took
the blame**

**We cry out Lord, You saved us all To
the world, the church, the risen call
And the glory and the power, the
honour and might**

**Is the spirit that shines in the dark, a
light**

**And when we call on Jesus name He
calls us on to**

Change! Change! Change!
