Verse 2:

You are worthy, my Jesus
 You are worthy, my Jesus
 You love this world and You carried the pain
 And You took our sin when You took the blame
 We cry out Lord, You saved us all
 To the world, the church, the risen call
 And the glory and the power, the honour and
 might
 Is the spirit that shines in the dark, a light
 And when we call on Jesus name
 He calls us on to change! Change! Change!
