

Emmanuel

Emmanuel, God is with us now
Emmanuel, God is with us
Emmanuel, God is with us now
Emmanuel

The blood that Jesus shed for me
Way back on Calvary
It soothes my doubts and calms my fears
It dries up all my tears

Emmanuel, God is with us now
Emmanuel, God is with us
Emmanuel, God is with us now
Emmanuel

The blood that gives me strength and peace
The glory sweet release
The love for all hearts in this hour
Will never lose its power

My sins are forgiven
Look to see the vision
My Lord has risen
My Lord has risen
