

## Father Oh Father

Father, Oh Father come rain down on me  
Like water refreshing my soul  
Spirit of life, come breathe down on me  
Cause me to lay at your feet  
And I will worship you

Father, Creator, Holy One, Glorify (Praise the Lord our God)  
Jesus, Redeemer, Risen Son, Glorify (Praise the Lord our God)

Father, Oh Father, come shine down on me  
Like fire refining my heart  
Spirit of life come burn down on me  
And I will worship

Father, Creator, Holy One, Glorify (Praise the Lord our God)  
Jesus, Redeemer, Risen Son, Glorify (Praise the Lord our God)  
Father, Creator, Holy One, Glorify (Praise the Lord our God)  
Jesus, Redeemer, Risen Son, Glorify (Praise the Lord our God)

(solo)

And I will worship  
Father, Creator, Holy One, Glorify (Praise the Lord our God)  
Jesus, Redeemer, Risen Son, Glorify (Praise the Lord our God)  
Father, Creator, Holy One, Glorify (Praise the Lord our God)  
Jesus, Redeemer, Risen Son, Glorify (Praise the Lord our God)  
(repeat)
