

## I Believe In A God

I believe in a God, In a God who saves  
Saves the world though we deserve to die  
I believe in a God, In a God who lives  
Lives in every heart who calls him Lord

I believe in the Father's Son  
Come into our hearts, it is Jesus Christ our God  
I believe, I believe, I believe, in a God  
In Jesus, I believe in a God

I believe in a God, In a God who calls  
Calls us to be a light to all the world  
I believe in a God, In a God who rocks  
Rocks this world, we are changed, we can never be the same

I believe in the Father's Son  
Come into our hearts, it is Jesus Christ our God  
I believe, I believe, I believe, in a God  
In Jesus, I believe in a God  
(solo)

I believe in a God, In a God of Grace  
Grace that frees the heart and saves the soul  
I believe in a God, In a God who is  
Is and ever was and ever will be

I believe in the Father's Son  
Come into our hearts, it is Jesus Christ our God  
I believe, I believe, I believe, in a God  
In Jesus, I believe in a God (repeat...)
