

My Heart Is Yours

I just want to give my heart to you Lord
I just want to give my heart to you
Just as you forgave the things I do
I just want to give my heart to you

~

I just want to live my life for you Lord
I just want to live my life for you
Just as you forgave the things I do
I just want to live my life for you

~

And my heart is yours, And my life is yours
I will serve you Lord, Forevermore
And my heart is yours, And my life is yours
I will serve you Lord, Forevermore

~

I just want to serve you all my life Lord
I just want to serve you all my life
Just as you forgave the things I do
I just want to live by serving you

~

And my heart is yours, And my life is yours
I will serve you Lord, Forevermore
And my heart is yours, And my life is yours
I will serve you Lord, Forevermore
And my heart is yours, And my life is yours
I will serve you Lord, Forevermore
And my heart is yours, And my life is yours
I will serve you Lord, Forevermore...
