

This Is My Prayer

Father this is my Prayer (Take my sin away)
Take my sin and bring goodness back into my heart
Father this is my prayer (Take my sin away)
Take my sin and bring goodness back into my heart

Jesus this is my Prayer (Take my sin away)
Take my sin and bring goodness back into my heart
Jesus this is my prayer (Take my sin away)
Take my sin and bring goodness back into my heart

All around, all I see
Help me Lord, come to me
Hold my heart from the world
Be with me

Spirit this is my Prayer (Take my sin away)
Take my sin and bring goodness back into my heart
Sprit this is my prayer (Take my sin away)
Take my sin and bring goodness back into my heart

Wash me clean, set me free
Help me Lord, come to me
Light my way through the dark
Be with me
