

Now I'm In Love Again

I, Now I'm in love again
Now I, Now I'm in love again

Jesus paid the price when he took the blame
He was the one who came for all
To sacrifice his life, he suffered on our sin
To give us life again

I, Now I'm in love again
Now I, Now I'm in love again

Anyone can come, the gift is free to all
Redeeming any call to come
Upon the heart we hold, this love will never die
So hear my spirit cry...

I, Now I'm in love again
Now I, Now I'm in love again
I, Now I'm in love again
Now I, Now I'm in love again

Solo

In Love, Now I'm in love again
Now I, Now I'm in love again (repeat to end)
