

Like A Raging Fire

Like a raging fire, like a driving rain

He's the Messiah and He's coming again

Like an ocean wide, like a blazing sun

Like a rising tide, like a bullet from a gun

Like a star at night, like snow is white

To the coming king, we rise and sing

Holy, Holy, Holy, is the Lord God Almighty

Heaven and Earth shall see the glory of God

Like a raging fire, like a promised vow
He's the Messiah and He's coming now
Like a mountain high, like a river in flood
Like a cloudless sky, like a stain of blood
Like a precious stone, like the lost come home
To the coming King, we rise and sing

Holy, Holy Holy, is the Lord God Almighty
Heaven and Earth shall see the glory of God, the Glory of God

(Holy, Holy Holy) Holy, Holy Holy, is the Lord God Almighty
Heaven and Earth shall see the glory of God
And heaven and earth shall praise the name of the Lord
Holy, Holy Holy, is the Lord God Almighty
Heaven and Earth shall see the glory of God
And heaven and earth shall praise the name of the Lord
And heaven and earth shall praise the name of the Lord
And Heaven and Earth shall see the glory of God
The glory of God, the glory of God, the glory of God
