

## Seize The Way

All you people, come praise the Lord  
With signs and wonders, in the house of God  
The victory promise, his children pray  
In love assemble, come seize the way  
And now today we sing

Hosanna, to Jesus, Our Saviour, exalt him  
Gloria, in the highest, Halleluiah

Lion of Judah, Our Offerings  
The servant master, the King of kings  
The mountains tremble, the foolish fray  
This world may crumble, so seize the way  
And now today we sing

Hosanna, to Jesus, Our Saviour, exalt him  
Gloria, in the highest, Halleluiah

(Solo)

Forgiving Father, our majesty  
The Lord our maker, we look to see  
Who hold the future, and come what may  
For Jesus saved us, we seize the way  
And now today we sing

Hosanna, to Jesus, Our Saviour, exalt him  
Gloria, in the highest, Halleluiah (repeat)
