

## Seize The Way

G A

All you people, come praise the Lord

G A

With signs and wonders, in the house of God

G A

The victory promise, his children pray

G A

In love assemble, come seize the way

D E

And now today we sing

A E D

A E D

Hosanna, to Jesus, Our Saviour, exalt him

A E D

A E D

Gloria, in the highest, Halleluiah

Lion of Judah, Our Offerings

The servant master, the King of kings

The mountains tremble, the foolish fray

This world may crumble, so seize the way

And now today we sing

Hosanna, to Jesus, Our Saviour, exalt him

Gloria, in the highest, Halleluiah

(Solo)

Forgiving Father, our majesty

The Lord our maker, we look to see

Who hold the future, and come what may

For Jesus saved us, we seize the way

And now today we sing

Hosanna, to Jesus, Our Saviour, exalt him

Gloria, in the highest, Halleluiah (repeat)
