

Shout the People

Shout the people He is risen, we are saved and we're forgiven
Never going to be the same again
Shout the people Jesus saves; storm the gates of hell and say
Jesus Christ has risen from the dead

And we believe in a God of love, And we belong to the risen son
And we are led by the spirit of
The living God, as He causes us to shout, Shout, Shout, Shout

Shout the people He is calling, just as lightning Satan falling
Glorify the Lamb, He is the King
From the dark into the light, conquered death, the righteous fight
Raise the shout for the people sing

And we believe in a God of love, And we belong to the risen son
And we are led by the spirit of
The living God, as He causes us to shout, Shout, Shout, Shout
(Solo)

Shout the people He is coming; Live each day with care and loving
Break the chains now He has set us free
Shout the people Alleluia, by his name more power to you
Saints of God we have the victory

And we believe in a God of love, And we belong to the risen son
And we are led by the spirit of
The living God, as He causes us to Believe in a God of love
And we belong to the risen son, And we are led by the spirit of
The living God, as He causes us to shout, Shout, Shout, Shout
