

## Some Day

Some day, some day, maybe tomorrow  
Some day, we will see God  
Some day, those who will follow  
Some day, will see the reward  
I want to be there when the Christ comes  
I want to be there, rejoicing  
I want to be there ready and waiting  
I want to be there rejoicing  
I, I want to be there rejoicing  
I, I want to be there rejoicing some day

Some day, some day, many will suffer  
Some day, will be their downfall  
Some day, we'll hear the thunder  
Some day, there will be a reward

I want to be there when the Christ comes  
I want to be there, rejoicing  
I want to be there ready and waiting  
I want to be there rejoicing  
I, I want to be there rejoicing  
I, I want to be there rejoicing  
I want to be there when the Christ comes  
I want to be there, rejoicing  
I want to be there ready and waiting  
I want to be there rejoicing  
I, I want to be there rejoicing  
I, I want to be there rejoicing  
I, I want to be there rejoicing  
I, I want to be there rejoicing some day
