Verse 1

Here we are, gathered here for you.
We give our lives to you
the one who set's us free.
Here we are, gathered in your name.
So thankful that you came
and showed us how to be.
Imagine the joy on their faces
if we spread your love to all places.

Chorus

And we will praise your name and sing
and offer up ourselves to him
to know our God, our Lord and King.
And we will praise your name and show
the love of Jesus wherever we go
and we will do something amazing.

Verse 2

We will find, a lesson to be learned,
is love not in return
but offered from the heart.
And each day, our story can display
we're living Jesus' way,
and then the magic starts.
Imagine the joy on their faces
if we spread your love to all places.

Bridge

So Amazing, we offer up ourselves
So Amazing, our Lord and King
So Amazing, the love of Jesus grows
so that we can do something amazing.
