

# Turn it Up

Words: Olivia Hill, Music: Robert Adamson

## Capo 5

### Verse 1

Bm Bm/A  
Start the bands, shout out loud,  
Bm/G# Bm/G  
Proclaim it and be proud  
Bm Bm/A  
Sing of love, life and faith,  
Bm/G# Bm/G  
Christ calls us come and join the race  
Bm Bm/A  
Share His feast, break the bread,  
Bm/G# Bm/G  
Take the overflowing cup  
Bm/E Bm/G  
Spread the Word, share the faith

### Verse 2

Bm Bm/A  
In the shadows, in the light,  
Bm/G# Bm/G  
In the depths of blackest night  
Bm Bm/A  
God is there, still beside us,  
Bm/G# Bm/G  
Although hidden from our sight  
Bm Bm/A  
No matter the pains that we bear,  
Bm/G# Bm/G  
Or how sorrow-filled our cup  
Bm/E Bm/G  
Share the Word, spread the faith

### Chorus

Bm Bm/A  
So turn it up, make it strong,  
Bm/E Bm/G  
And let our heartbeats spread the  
Word  
Bm Bm/A  
Come, sisters, join the chorus,  
Bm/E Bm/G  
Brothers let your voice be heard  
Bm D E  
All the nations, will sing, and all the  
G  
bells shall ring  
Bm Bm/A  
Share the Word, spread the faith  
Bm/E Bm/G  
Turn it up, turn it up loud  
Bm/E Bm/G  
Turn it up, turn it up loud
