1 We walk beneath an open heaven,
step by step on holy ground.
Since God became a man among us,
earth is full of heaven's sound.

*And he says, "Don't be afraid,
I am here, don't be afraid,
I am with you, I'll be with you forever."*

*I'll be with you on the street at night
and in the midday sun.
I'll be with you when you feel alright

2 We walk beneath an open heaven,

For Christ has come to walk beside us
in our chains, behind our bars
