

Peace Benediction

Words by *Shirley Huth* and Music by *Annette King*

The peace of the Lord go with you,
may He guide you each step of the way.
May you find as you travel life's journey
true friendships enriching each day.
May your home be a place of contentment
where the love of the Saviour shows through
bringing peace and joy to each member
and to all who fellowship with you.

As you step into each tomorrow
may you know that whatever betide
our Lord is faithful as promised
and will always be there at your side.
Go forth in the strength of the Master,
grow in faith as you journey each day
that your deeds will bring great fulfilment
to yourself and to all on life's way.

Go forth in the strength of the Master,
grow in faith as you journey each day
that your deeds will bring great fulfilment
to yourself and to all on life's way.
